**Kingston Commercial Signs on with Altius for
Rooftop Antenna Management Services**

(ATLANTA) May 1, 2002—Altius Solutions, LLC (www.altiusllc.com), a regionally based rooftop antenna management company, announced today that Kingston Commercial has signed on as a client. Altius will work to represent Kingston's properties' rooftops with wireless carriers as well as ensure proper antenna maintenance, inspections and fulfillment of license agreements.

About Kingston Commercial

Kingston Commercial is an Atlanta based Real Estate Brokerage firm that concentrates on office and industrial leasing, acquisition, disposition and property management. Our focus is to provide hands on personal attention to our client's individual needs and to exceed their expectations. With a portfolio of listings in multiple sub-markets, Kingston Commercial is aware of changing market conditions in Atlanta and positioned to provide responsive, quality solutions in a timely manner

About Altius Solutions
